MEMORANDUM FOR: The Honorable Robert Cutler
Special Assistant to the President
for National Security Affairs

SUBJECT : Your memorandum of 28 March 1958 on
Applicability to Poland of the Appendix
to NSC 5608/1

It is the view of CIA that the Appendix to NSC 5608/1 should not apply to the new paper on Poland (NSC 5808). Certain portions of the Appendix could be interpreted as being inconsistent with the main thrust of NSC 5808. Moreover, NSC 5808, in conjunction with NSC 5412/2, will provide clear and adequate guidance and authority for covert operations.

MEMORANDUM FOR: Mr. Gerard Smith (State)
Mr. Mansfield Sprague (Defense)
Mr. Robert Amory (C.I.A.)

SUBJECT: Applicability to Poland of the Appendix to NSC 5608/1
("U.S. Policy Toward the Soviet Satellites in Eastern Europe")

In preparing the new Polish policy (NSC 5608) for distribution to the Council, the question arose as to whether the Supplementary Statement of Policy contained in the Appendix to NSC 5608/1 continues to apply to Poland.

I would, accordingly, appreciate receiving the views of your agencies on this matter by April 10. If it is agreed that the Appendix continues to apply to Poland, it will be issued as an appendix to the Polish policy and also as an appendix to the new Satellite policy when those policies are approved.

Robert Cutler
Special Assistant
to the President
